- Aerospace

DESCRIPTION

Manufactured by the leading brand of Safety Equipment - Lifegear LGR PE 6 is a lightweight aluminium case with galvanized steel rope equipment. On one end these Fall Arresters have an anchoring point,and on the other end,it has a large oval karabiner with better gate opening clearance. This Fall Protection product has enhanced physical properties and can withstand harsh climatic conditions,UV rays,and rough applications. Lifegear Retractable Fall Arrester is one of the most trusted equipment with 6-meter rope with a retractable mechanism. In addition to that, it can be used in any position and weighs only 5.8 kg.
