DESCRIPTION

This Pro Series spotlight features 3 super bright,high flux Cree LEDs which provide 1000 lumens of light and a beam distance of over 325 meters. An incredible 3 hours of run time is accomplished using Dorcy's new battery saver technology. Other features include rugged construction,non-slip rubber grip,convenient trigger locking switch,and the ability to charge via both AC and DC connections. A perfectly proportioned design allows the light to stand on its own for hands free use. Comes complete with AC and DC adapters for easy recharging,at home or on the go. (41-1080)
