DESCRIPTION

With shatter proof construction and an industrial strength shell, this light is ready for the toughest jobs. This Pro Series 9 LED flashlight features a compact design with an industrial strength shell and shatterproof construction. Although durable enough for the toughest jobs, this light still feels smooth and comfortable in your hand. Features include nine super bright LEDs, 42 lumens of power, and 32 meters of beam distance. The light runs for 15 hours on just 3 AAA batteries. Other features include weather resistant construction, rubber o-rings to protect against moisture, carabiner ring, and a convenient nylon lanyard. 3 AAA batteries are included. (41-2602)
