DESCRIPTION

The Dorcy Industrial Pro Series Weather Resistant Unbreakable LED Flashlight contains a super bright LED bulb that provides 265 lumens of light with a 200 meter beam. The flashlight features virtually indestructible nylon glass fiber construction that has passed a 10 meter drop test. Lightweight at 0.3 pounds, the Unbreakable Flashlight features a push button tail cap switch for simple on and off, a PC parabolic reflector, and a night glow powder switch for added visibility. Comes complete with 3 AAA cell batteries for a 1.45 hour continuous run time. It measures 5 inches by 1.25 inches with a 1.5 inch bezel diameter. The Industrial Weather Resistant Unbreakable Night Glow LED Flashlight comes with a 1 year limited warranty to protect against defects in material or workmanship. (41-2600)
