Certification

- Meets OSHA and EN standard requirement

Industry Type

- Tactical
- Oil and Gas/Mining
- Chemical and Pharma
- Fire and Disaster Mgmt
- Government Departments
- Railways
- Metals and Cement
- Manufacturing
- Construction
- Aerospace

DESCRIPTION

L type fixed Liferail System provides fall protection to workers who need to access the tops of vehicles, railcars, and structures. Perfect for the transportation industry, this system utilizes concrete foundations to cover long spans. By offering custom cantilevers or support structures, this system provides an easy and reliable way for workers to protect themselves while working at height.
