

Type Fixed LifeRail System

Fixed foundation based T type system with Liferail track equipped with trolley system

Certification

- Meets OSHA and EN standard requirement

Industry Type

- Tactical
- Oil and Gas/Mining
- Chemical and Pharma
- Fire and Disaster Mgmt
- Government Departments
- Railways
- Metals and Cement
- Manufacturing
- Construction
- Aerospace

DESCRIPTION

T-type fixed LifeRail System provides fall protection that allows workers to perform maintenance and service tasks on two vehicles at the same time. Ideal for the transportation industry, the T-Frame system can cover long spans by using required concrete foundations. Double your protection and maximize your workspace by using the T LifeRails.
